LEMNISCAAT

An illustration featuring a mandril on the left, a sloth on the right, and a penguin at the bottom right. A thin green wire runs across the scene. Two small, fluffy birds are perched on the wire. The background is plain white.

One day - on the first page  
of this book - something  
strange was lying on the floor.

'I've never seen  
anything like it,' Sloth said.  
Mandrill was very cautious, but  
Penguin was  
already hopping with pleasure.

'Be careful!  
Don't jump on it!'  
Sloth said.

He picked it up and  
placed it on its side  
- exactly in the  
middle of the book.

Little Gorilla was the  
first to inspect  
the thing.

'Hey you! Wanna  
be my friend?'
